

FINDING WORK

J C Auto

The Company

J C Auto opened its doors to Vermilion and area customers in July of 2009. Independently owned and operated, the company offers general automotive repair and specializes in exhaust systems. J C Auto has access to AC Delco parts and is able to provide “after market” parts from independent dealers to pass on considerable savings to its customers. They also market stainless steel and chrome exhaust tips.

The Work

The company services vehicles up to one ton, and also specialize in older vehicles with carbureted systems. Currently a husband and wife team, there is good potential for hiring additional mechanic(s).

The work requires mechanical aptitude, and the ability to work in an environment that may be physically demanding. Heavy lifting may be required.

The Ideal Candidate

The ideal candidate for the position of mechanic will have the following attributes:

- A Journeyman Ticket or Certification as an automotive technician from a recognized accredited institution
- Licensed mechanic with several years of automotive experience
- Specialist in diesels (e.g. pick up trucks)
- Responsible for own tools

- Ability to speak to customers and determine their concerns and requirements
- Ability to work independently
- Ability to attract new business and a loyal customer following

Responsibilities:

- Review work orders with customer
- Inspect and test automotive systems and components to diagnose faults
- Diagnose faults, and research and analyze problem(s)
- Estimate or quote prices and warranties
- Adjust, repair or replace parts and components with a high degree of accuracy and workmanship
